

# Hackathon

FREDERICKSBURG

## DATE

September 28-29

## LOCATION

Germanna Community College  
Fredericksburg Center for  
Advanced Technology  
1325 Central Park Blvd,  
Fredericksburg, VA

## ABOUT

The Virginia Department of Transportation presents its next installment of the SmarterRoads Hackathon and Idea Jam series.

The two-day event will be held on Friday, September 28, through Saturday, September 29, 2018 at Germanna Community College's Fredericksburg Center for Advanced Technology in Fredericksburg.

We want a diverse group of developers, planners, futurists, big data lovers and problem solvers to help address Virginia's greatest transportation needs through the use of open data sets, including VDOT's SmarterRoads data portal. Your expertise is the key.

## PRIZES

Cash prizes and more!

For more information and to register, visit <https://nvite.com/SmarterRoadsVA/dr77lv> or contact the event host, Virginia Lingham, directly at [Virginia.Lingham@VDOT.virginia.gov](mailto:Virginia.Lingham@VDOT.virginia.gov) or 804-692-0455.
