1:25 Discussion: draft list of land use ordinances and instruments related to protecting and restoring coastal resources, habitats, and species

1:40 Discussion: prioritized list of needs for regional resilience (based on Environmental Services Strategic Plan: <https://gwregion.org/environment/environmental-services-strategic-plan>)

Discussion and Locality and Stakeholder Roundtable

2:00 Roundtable

Please also consider, GWRC is working in partnership with local member jurisdictions, along with the Rappahannock Tribe, to update the Regional Hazard Mitigation Plan. Public input is critical to the update of the Plan, and the GWRC and its locality partners are seeking public input and thoughts on the relevance and usefulness of the current Regional Hazard Mitigation Plan.

Members of the public are asked to review the current Plan at the following link

www.gwregion.org/hmp and submit any thoughts or feedback to hazardplan@gwregion.org.
